## Work Experience

### Web Developer

K-LUE

March 2020 – April 2022

- I designed and constantly updated a questionnaire to understand our client's style of shopping which in turn aided in understanding our customer's choice better.
- I built a form with which was integrated on Shopify which in turn improved our user experience as it helped us deliver solutions to everyone's problem.
- I assisted in the input of products details ['name', 'variation', 'prices', 'sizes'] on Shopify.

### Remote Digital Designer

Nogasa Osun Chapter

March 2021 – March 2022

- I created uniquely designed images and videos for advertisement which in turn brought about increase in public awareness of the organization.
- I created diagrams and posters which always had a delicate balance of decorative effect and project achievement, including the delivery of the intended message or information.

### Microsoft Specialist

Murtex Furniture

February 2018 – July 2022

- I coordinated with the management team to plan, develop, align and execute strategies that would meet client's vision, mission and purpose.
- I created document proposals, presentation slides which was used to win huge contacts which brought about massive profits and increase in revenue for the company.
